Kindra Hall is President and Chief Storytelling Officer at Steller Collective, a consulting firm focused on the strategic application of storytelling to today's communication challenges.

**Topics:** Marketing, Story Telling

## About

Today, storytelling is the critical skill of the 21st century. Being a better storyteller – knowing how to connect with people in an irresistible way -- will make you the type of influential person who can be a better leader, a better marketer, sell more...be a better PERSON in business.

Kindra Hall is President and Chief Storytelling Officer at Steller Collective, a consulting

firm focused on the strategic application of storytelling to today's communication challenges. Kindra is one of the most sought after keynote speakers trusted by global brands to deliver presentations and trainings that inspire teams and individuals to better communicate the value of their company, their products and their individuality through strategic storytelling.

What began as a chance encounter at age 13 with a storytelling cassette tape grew into a passion for not only telling stories, but a mastery for teaching others the methods and science of storytelling so they can better tell their own.

She was a National Champion storyteller (yes, they have those), member of the Board of Directors of the National Storytelling Network and has her master's degree in communications where she conducted original research studying the role of storytelling in defining and revealing organizational culture.

Kindra is a former Director of Marketing and VP of Sales. Today, Kindra's work can be seen at Inc.com, Entrepreneur.com and as a contributing editor for SUCCESS Magazine. Kindra's message spans all industries and her clients include Facebook, Hilton Hotels, Tyson Foods, Target, Berkshire Hathaway and the Harvard Medical School. Her much anticipated book will be released by Harper Leadership in the fall of 2019.

Regardless of the industry, Kindra has become a conference favorite for her clients. The blend of inspiration and education in her keynotes mean that audiences leave feeling excited and equipped to finally put their stories to work in a tangible way.

Kindra lives in Manhattan with her husband, young son and daughter. When she is not traveling around the world speaking, Kindra can usually be found at spin class or in Central Park with her family.
